

Seeking Family-Friendly Multicultural and Art Activities and Games

Lowell's Points of Light Cultural Celebration Committee is seeking individuals and organizations that can help run family-friendly activities at the Points of Light Cultural Celebration, from 5 pm to the 8 pm lantern launch on Saturday, May 11.

Activities could include the following:

- ❖ A special craft or art project
- ❖ A lawn game tournament
- ❖ Supervision of special play equipment
- ❖ Any other activities that could be fun for kids, adults, and families!

The Committee is especially interested in:

- ❖ Groups sharing their culture through traditional games or activities
- ❖ Activities that allow participation from a wide range of ages and skills
- ❖ Activities that provide entertainment for spectators
- ❖ Activities that involve light and that could take place around sunset
- ❖ Games or activities that will be promoted by the individual or organization to bring new audiences to Points of Light

Activities could take place on a lawn or in a paved area, but must not be destructive/dangerous to the lawn. Activities must be supervised during the activity time from 5 pm to 8 pm.

Several activities will be selected by the committee. Stipends are available depending on the nature of the activity. If interested, please contact Chris at chris@diyloowell.org with qualifications or questions. This call will be open until filled, so submit inquires as soon as possible!
